

Instructions for Completing the CFS-101 Forms

Introduction

The CFS-101 is a set of financial forms required by State Agencies, Territories, Insular Areas (States), Indian Tribes, Indian Tribal Organizations, or Indian Tribal Consortia (Tribes) to apply for and receive funding under title IV-B, subparts 1 and 2 of the Social Security Act, the Child Abuse Prevention and Treatment Act (CAPTA) State Grant, and the John H. Chafee Foster Care Program for Successful Transition to Adulthood (Chafee) and Education and Training Voucher (ETV) Program.

The set of CFS-101 forms has three parts:

- Part I: Annual Budget Request for Title IV-B, Subpart 1 & 2 Funds, CAPTA State Grant, Chafee, and ETV;
- Part II: Annual Estimated Expenditure Summary of Child and Family Services Funds; and,
- Part III: Annual Expenditures for Title IV-B, Subparts 1 and 2, Chafee, and ETV.

Periodically, the Children's Bureau makes updates to the forms and instructions so it is important for grantees to use the version provided with the most recent Program Instruction for the Child and Family Services Plan (CFSP) or Annual Progress and Services Report (APSR).

When completing the CFS-101 reports, it is important to recognize that Part I and Part II are connected. On Part I, the funding requests are made for each program; Part II provides more detail on how those funds and other funds are planned to be spent for child protective and child welfare services. Finally, Part III compares grant expenditures for the most recently ended grant award year to the originally planned spending previously provided for that grant year.

Data Entry Notes:

- If formulas are entered or used to distribute funds for any grant, please show only the final values in the worksheets, not the formulas.
- Break all links/references to other fiscal worksheets or workbooks.
- Do not round to the \$ thousands or \$ millions on any of the forms.

When finished, save and name all the PDF file (and Excel workbook for states) as: "State/Tribe name FY 21 CFS-101s" so that the name of the state or tribe submitting the file is clearly identified.

Note: While the information on the programs are consolidated into one Child and Family Services Plan (CFSP), eligibility and expenditure reports for the individual programs are separate. Funding will not be delayed for one program due to potential eligibility issues in another program.

CFS-101, Part I Instructions: Annual Budget Request for Funds under Title IV-B, Subparts 1 & 2, CAPTA State Grant, Chafee, and ETV

The numbering corresponds to the item numbers on the CFS-101 forms.

1. **Name of State or Indian Tribal Organization and agency:** Enter the name of the State or Indian Tribal Organization (Tribe) and agency (Department or Division) in cell A4 of the Excel worksheet.
2. **Address:** Enter the mailing address of the state or tribal agency in the cells below the “address” line. This should be the address to which the grant award notices may be sent.
 - a) Enter the **email address** to which grant award notices may be sent.
3. **EIN:** Enter the Employer Identification Number (EIN).
4. **DUNS:** Enter the Dun and Bradstreet Number (DUNS) assigned to your organization. Information on how to obtain a DUNS is available on the grants.gov website. A DUNS number is required to register with the U.S. Federal government for contracts or grants.
5. **Submission Type:** Indicate the applicable submission type.
 - NEW submission for the upcoming fiscal year. A submission is “NEW” until signed by the Children’s Bureau Central Office Official;
 - Request for REALLOTMENT for current year; or
 - REVISION of the budget request.
 - This submission type is only used to revise a previously approved (countersigned) CFS-101 to address a funding allotment in excess of either the initial request or sum of initial request and request for additional funds.

Note: When submitting a revision, enter amounts for only the grants where the final allotment exceeds the initial request or sum of the initial request and request for additional funds (via reallocation) for the current year. There is no need to complete the form for all grants, unless they meet the requirement for a revised request.

Revisions should be submitted on the CFS-101 form for the particular year that the revised request is being made (i.e. A revision for FY 2019 is submitted on the Part I of the CFS-101 form that was issued in the [FY 2019 APSR Program Instruction](#)).

Requests for Funding Section:

Enter all funding requests as whole dollars, without formulas or links to other worksheets.

RECOMMENDATION: Historically the Children’s Bureau has recommended that the previous federal fiscal year’s (FY) allotment, as provided in the annual Program Instruction on the APSR

or CFSP, be used as the estimated amount for the state's/tribe's request.¹ The Children's Bureau encourages states and tribes to request up to 10% more than the previous fiscal year's allotment. As the statistics used in the formulas to allot funds may fluctuate from year-to-year, requesting a higher amount initially may prevent the need to submit a revised CFS-101 Part I.

6. Total title IV-B, subpart 1 funds: Enter the amount of title IV-B, subpart 1 federal funds that the state or tribe requests for the Stephanie Tubbs Jones Child Welfare Services (CWS) Program. A 25% match is required, which must be reflected on the SF-425 report.

a) Enter the estimated amount of title IV-B, subpart 1 CWS funds to be spent on administration. This cannot exceed 10% of the total title IV-B, subpart 1 allotment request entered on line 6). A warning will display if the amount entered is greater than 10% of the requested amount. The amount reported in 6a is a subset of line 6.

7. Total title IV-B, subpart 2 (PSSF) funds: *For TRIBES only:* Enter the total amount of funds for title IV-B, subpart 2 that the tribe requests for the Promoting Safe and Stable Families Program. (States do not complete line 7.) If funds will be spent on administration, enter that amount in 7f.

Tribes are not required to provide the breakout for the use of funds on Part I, but may opt to complete lines 7a-f to identify planned expenditures by service category. Tribes should select the option of completing *either* line 7 (and 7f, if applicable), *or* lines 7a-f, which will then prompt the total to display on line 7g. Note that the 'total' lines, line 7 and 7g are not connected in any way.

7a-f. Breakout of title IV-B, subpart 2 (PSSF) funds: States must complete lines 7a-f. Line 7g sums the amounts in lines 7a-f to become the state's total request for PSSF. Enter the amount of PSSF funds that will be expended in each category. The percentage of funds for each service category will automatically calculate. If less than 20% of the total (line 7g) is expected to be spent in any of the four service areas (7a – d), a strong rationale must be provided in the CFSP/ APSR narrative. A 25% match is required, which must be reflected on the SF-425 report.

Enter the estimated amount of PSSF funds to be spent in the following categories:

a) Family Preservation Services;

¹ The tentative allotments for title IV-B, subpart 1 and 2, Chafee, and ETV are based on the premise that all states and Indian tribes will apply for and receive the funds available to them. In the event that not all states or Indian tribes apply for or receive their tentative allocations, those funds will be redistributed among eligible states and Indian tribes, where permitted by statute. Grantees requesting additional funds in anticipation of such a redistribution should submit information on the proposed use of such additional funds to the appropriate Children's Bureau Regional Office in the state's/tribe's CFSP or APSR.

When states or tribes that have not applied for funds available to them in past fiscal year(s) decide to do so, depending upon the total amount of funds appropriated by Congress for the next fiscal year, there may be a reduction in the final distribution of funds.

- b) Family Support Services;
- c) Family Reunification Services;
- d) Adoption Promotion and Support Services;
- e) Other Service Related Activities (e.g. planning); and
- f) Administration. States are limited to a maximum of 10% of their PSSF request for administrative costs. A warning will display if the amount entered is greater than 10% of the requested amount. Tribes can disregard this warning, as there is no maximum allowable percentage of administrative funds.

8. Monthly Caseworker Visit title IV-B, subpart 2 funds (*applies to STATES only*):

Enter the amount of title IV-B, subpart 2 Monthly Caseworker Visit (MCV) funds the state requests.

- a) Enter the estimated amount of funds to be spent on administration. This cannot exceed 10% of the total MCV request entered on line 8a. A warning will display if the amount entered is greater than 10% of the requested amount. The amount reported in 8a is a subset of line 8.

9. Child Abuse Prevention and Treatment Act (CAPTA) (*applies to STATES only*):

Enter the amount of CAPTA State Grant funds requested.

10. Title IV-E John H. Chafee Foster Care Program for Successful Transition to Adulthood (Chafee) funds: Enter the amount of Chafee funds that the state or tribe requests.

- a) *At state or tribe option*, indicate the estimated amount of the funds to be spent for room and board for eligible youth. This cannot exceed 30% of total Chafee request entered on line 10a. A warning will display if the amount entered is greater than 30% of the requested amount. The amount reported in 10a is a subset of line 10.

11. Title IV-E Funds Allotted under Section 477 for the Education and Training

Vouchers (ETV) Program: Enter the amount of ETV funds that the state or tribe requests.

Items 12 and 13 are addressed under the “Reallotment Request Section”

14. Certification: This report must be signed, titled, and dated in the spaces provided. The signature and title of the official of the state agency, or Indian Tribal Organization, with authority to administer or supervise the administration of title IV-B, subparts 1 and 2 programs, Chafee and ETV programs, and, for states only, the CAPTA program, is required. By signing this form the state/tribal official assures that the state/tribe will meet all applicable match requirements.

Reallotment Request Section:

*The section for reallotments pertains to the **current** fiscal year, **not the future year** for which funds are being requested. This section should be blank on a “new” request for future year funding.*

As funds are available, the Administration for Children and Families (ACF) is able to reallot unneeded portions of state and tribal allotments of title IV-B funds and Chafee funds to other states and eligible tribes so that the total appropriation remains available for program purposes. In order for a state or tribe to be awarded a portion of these funds, or for funds to be released, ACF must have a reallotment request for the current year on file.

The identification of funds that will not be utilized and requests for additional funds occurs mid-year of the current fiscal year and must be submitted as a stand-alone document, separate from the “new” request for funding, and may be submitted independently of the CFSR/APSR. These requests will be sent immediately from the Children’s Bureau (CB) Regional Offices (ROs) to the CB Central Office (CO) for the Office of Grants Management to process so that any available appropriated funds may be reallotted timely.

When submitting a request for reallotment, complete a separate CFS-101 Part I with a submission type of “reallotment” checked. Fill in items 1-5 and the applicable cells in items 12 and/or 13, then have it signed, titled and dated by the authorized agency official. Submit it as a separate file named: “State/tribal organization name FY 20 Reallotment” with the name of the state or tribe submitting the file clearly identified. This will ensure a timely review and submission of the request to the CB CO.

Note: A reallotment request may be submitted to the RO at any time prior to, or on, June 30th, independent of the CFSP/APSR submission. However, it must be submitted as a separate file from the future year set of CFS-101 forms.

12. Identification of Surplus Funds for Reallotment: In the appropriate cell, enter the amount of federal CWS, PSSF, MCV, Chafee, and/or ETV funds that the state or tribe will **not** utilize.

13. Request for additional funds from Reallotment: In the appropriate cell, enter the amount of additional federal CWS, PSSF, MCV, Chafee and ETV funds that the state or tribe is requesting, should additional funds become available. *Note: In requesting additional funds, states and tribes should remember that 25% state or tribal non-federal match will be required for the additional funds received under CWS, PSSF and MCV; a 20% state or tribe non-federal match will be required for the additional funds received under Chafee and ETV.*

20. Difference: No entry is needed. The field displays the difference of line 19 (requested amount on Part I) minus line 18 (total of lines on Part II) for each grant. If there is a number other than \$0 on this line for any column, this means that the planned breakout of how funds are to be spent is either greater or less than the total amount requested on Part I for that program. Reduce or increase the amounts within the column accordingly to assure that the difference is \$0 prior to submitting the CFS 101s to the Children's Bureau.

21. Population Data: Indicate where the population data can be found, in columns I, J, K, and L on the Part II or in the CFSP/APSR narrative. This information is required for all CFSP/APSR submissions.

Estimated Expenditures:

Columns A-G. For each Federal program indicated in columns (A) through (G) from which the state or tribe requests funding, enter the amount estimated to be spent for each service/activity. The amounts for any of the spending areas on the Part II for PSSF cannot exceed the amount of the request on the Part I. *Note: Column (G) [Title IV-E] refers to the title IV-E Foster Care, Adoption Assistance and Guardianship Assistance programs.*

Note: Distribution of PSSF funds in column B on Part II autofills from the CFS-101, Part I. These formulas may be overwritten by entering in a different amount in the specific cell. This should only occur if some of the service/activity funds are being distributed to the training cells (B13, B14, and B16) or cell B17 for Caseworker Retention, Recruitment, and Training. The amounts in items B2-B6 should not exceed the amounts on Part I for items 7a-f.

Reminders for Columns A-G:

- Hardcode all numbers entered (no formulas).
- Break all links and references to other worksheets or workbooks.
- Do not round to the \$ thousands or \$ millions.
- If there is an amount other than "\$0" in the "difference" row (line 20), the estimated expenditures in the service/activities must be adjusted.

Column H. State, Local, and Donated Funds: Enter the estimated amount of state, local, and donated funds to be expended, even if they are not used to match Federal funds. Tribal funds are considered "local" for purposes of the Part II and should be entered in this column. Amounts entered in this column are to reflect overall programmatic support of the child welfare program, and not only the required non-federal match. *This column is required to be completed by all applicants.*

The following information must be provided in the CFSP/APSR and may be provided on the CFS-101 Part II or in the narrative of the CFSP/APSR. Mark the appropriate box for Item 21, Population Data, to indicate where this information can be found.

Columns I and J. Estimated Number to be Served: Estimate, as accurately as possible, the number of individuals and families to be served by service/activity with the total estimated funding indicated.

Column K. Population to be Served: Indicate the population that has been targeted for the designated services. Targeting may include a range of vulnerable populations such as:

- Children at imminent risk of placement;
- All children in foster care;
- Families with children returning home following placement;
- All eligible children, eligible children under 21 years, or eligible children requiring treatment;
- Families with a child abuse or neglect investigation;
- Children in contracted care; or

Column L. Geographic Area to be Served: Indicate **both** the number and type of areas identified within the state where services are to be provided for each program. Areas may include specific regions, counties, cities, reservations, communities, census tracts, or neighborhoods. For example, if the state is operating family preservation programs in six counties, indicate by noting "6 counties"; if the state is operating 12 community-based family support programs, indicate by noting "12 communities".
